

# A Letter From Your Sponsored Child

October 19, 2016

Dear Hillcrest Bible Church,

We have something wonderful to share with you. We recently received a very special letter, handwritten by Cheng Ri, your sponsored child from China. We cherish these special words, as they come directly from the heart of a child who is excited to share their story with you. We hope you enjoy this letter, and if you would like to view this image online, go to the MyHolt Sponsorship login page on Holt's website at [www.holtinternational.org](http://www.holtinternational.org).

Thank you and God Bless
